Heard all that ?!
You asked him to revive me.
Did you -
Really mean to revive me ?

O -
Of course !
I was willing to do anything to get you back !
Liar.
What ?
You were simply using me
To keep Jin-Whan by you.

Ah ...
Am I wrong?

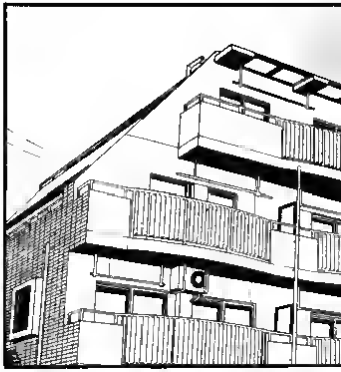
Ban-Ah ?



Dad, shouldn't you go to work?

Yeah, I should...

After he bit me, it took about 3 months for me to start the transformation.

In her case, more than twice time has passed.
In fact, it's been almost a year and I don't see any changes in her yet.
Maybe, she won't turn like I did ...
What are you thinking about?
Hmm ?
Oh, nothing really ...

I am wearing a wig right now.
Doesn't it look good on me ?
Yeah ?
Why don't you just grow your hair ?
I felt something about her changed. Is it becaue of the wig ?
No long hair.
It's one of school rules.

Though other girls tend to grow their hair longer than they are supposed to.
But since my mom and dad are both teachers, it's hard for me to do that.
Besides..., my hair won't grow even if I want...
What ?
Were you really concenred about me ?
Did you really come here because of me ?
Anyway -

Really ?!
How much were you worried ?!
Ah ...
Yes.
And why were you even worried about me ?!
Tell me !

Eun-Jo...
Your mother is doing well also ?
Eun-Jo, Eun-Jo -
I am so tired of hearing that name from you.
Especially when you aren't even her real relative.

Did I really want to have Jin-Whan around with such an excuse?

It was...

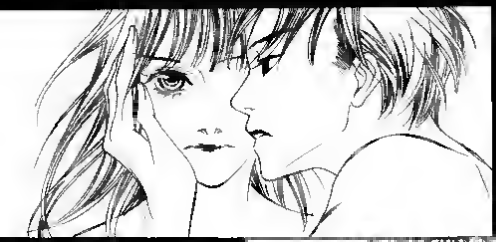
Yes,
It was correct that I used my misfortune to bind Jin-Whan.

Looking back...

All the misfortunes were what I wanted really and brought them upon myself.



Whenever my husband touched me at night, it gave me creeps.

I hated the fact that it wasn't Jin-Whan who was touching me.

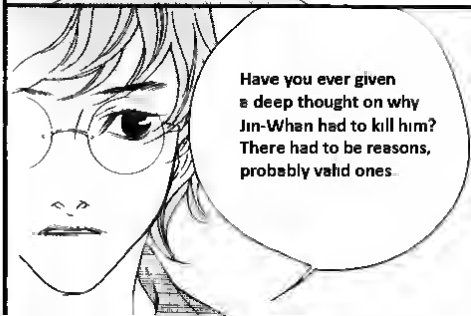
I hope you realize that at least.



Have you ever given a deep thought on why Jin-Whan had to kill him? There had to be reasons, probably valid ones

And what would be the reasons?
Well...
But there are plenty of sick events in this world
where victims are terrified to even speak of.
How should I know ?

You look pretty young
I am visiting a friend.
But it's too late to find a bus, so..

I don't know.
That's a lie !
That's enough.
